

BATON ROUGE EASY EXPUNGEMENT SCREENING

EASY BREEZY EXPUNGEMENTS

Easy Expungement Screenings are available the first Saturday of each month at 8894 Airline Highway, Suite Q.

Staffed by representatives from the Office the Public Defender, the District Attorney, the City Prosecutor and the Clerks of Courts for City and District Court.

You will be able to have you criminal history screened and evaluated for expungement options and, if you qualify, leave with your package for filing in either court.

Offers one-stop Saturday sessions that keep you from missing work to get the information you need to pursue an expungement of your criminal arrests.

BREES cannot solve the limitations that exist in the law, but we can explain them. No misdemeanor expungements until 5 years have passed from completion of your crime, no felony expungements until 10 years have passed from completion of your crime, no domestic violence or sex crimes expungements are possible.
